

DARK SKIES at the CREEK

**Celebrate International Observe the Moon Night With
Beaver Creek Conservation Area
Saturday, October 28, 2017
6:00 pm – 11:00 pm**

6:00pm

Gates open. Come visit the interpretive centre to learn about nocturnal wildlife and meet some live bats!

7:30pm

Hear local astronomer Rick Huziak talk about our amazing night sky and why it's worth protecting.

**8:30pm
to
10:30pm**

Join members of the Royal Astronomical Society as we use telescopes to view the moon and our night sky.

9:30pm

Join the interpreters on a hike to look for nocturnal critters.

Take highway #219 13km south of Saskatoon. Turn right at Beaver Creek Conservation Area.
